Teaching
Conservation
Through Recreation

Ellis Equestrian Fund

Ellis House & Equestrian Center

Who We Are

Ellis House and Equestrian Center is owned and operated by the Kendall County Forest Preserve. Our mission is to provide Kendall County residents with equestrian educational and recreational opportunities that will connect their life and activities with environmental stewardship.

We are a small lesson program with big dreams. Our focus is on being the voice of the horse and the environment. We teach riders effective, enjoyable riding practices that will last through a lifetime of recreation with horses or even future horse ownership.

If You Choose to Give

Your Donation is Tax Deductable.

We are partnered with the Forest Foundation, a 501c3 organization that supports, fundraises for and endorses Ellis Equestrian Center Programs.

Your Donation Will Change Someone's Life.

Whether you donate a horse, equipment, money or items for fundraisers. The result will be a student, volunteer, horse or visitor that will benefit from your generosity.

Your Donation is Secure

All donations will go directly towards the Forest Foundation to benefit the Equestrian Center's programs and it's animals. There is no administration fee or other hidden costs that detract from your charity.

All horses are adopted out to beneficial causes and loving homes upon retirement.

Donated horses are cared for by professional staff and motivated volunteers

What we Need

Horses

- Between 4-10 yrs of age
- Sound for safety and function
- Gentle for a riding program
- Negative Coggin's test (EIA)

Equipment

- Saddles
- Bridles, Bits, Halters, Lead ropes
- Horse vacuum
- Miscellaneous horse and riding gear
- Horse grooming: brushes, hoof picks etc.

Supplies

- Duct Tape—it holds stuff together!
- Glycerin soap—to clean leather goods
- Bleach—disinfect & clean saddle pads, towels
- Laundry detergent— see above
- Utility towels & rags— to clean horses & stable
- Large car sponges— to wash horses
- Small hand sponges—to clean leather goods
- Mops, brooms, scrub brushes- to clean!

One Time Requests

- Front End Loader Tractor
- Manure Spreader
- Round Pen
- Microwave

Donated Horses

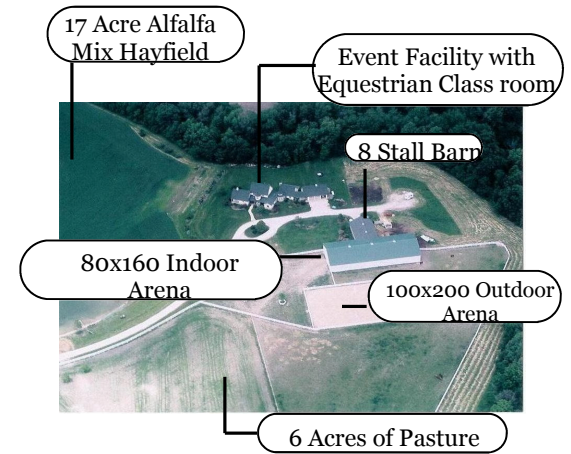

Ellis Equestrian Center currently has room for school horses. All Donated horses go through a pre-purchase veterinary exam, and a 30 day trial period to ensure our programs are a good fit for your horse. We strive to teach students to ride the horses in a way that will keep them healthy, happy and sound in their work here at Ellis. All horses get a day off per week, and will not work more than twice a day. Our horses are well cared for by loving volunteers and horse professionals.

Please contact us today to donate your horse to the Ellis Equestrian Center team at 630-553-4025; or email at KCForest@co.kendall.il.us.

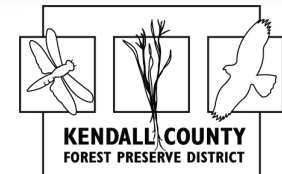

Equipment & Supplies

Proper fitting riding gear, and training gear, effective grooming equipment and stable care equipment all are much needed in a working lesson horse program. As the programs expand to reach more people our needs also rise. Your donations help us unwrap the wonders of horses to the community.
